## **Community Savings Bank Donates \$1,000 to Greeley Community Garden**

GREELEY, IA - Community Savings Bank recently donated \$1,000 to the Greeley Community Garden project.

The Greeley Community Garden is located in the heart of Greeley on land donated recently by a Greeley native. The mission of the garden is to grow food, relationships and opportunities. Community members will have the opportunity to assist with maintaining the garden and pick vegetables and fruits to enjoy themselves. Volunteers have planted flowers, apple trees, pear trees and plum trees; an array of vegetables and even have built an area of bee hives.

“Community Savings Bank is proud to support a project that brings people together, promotes sustainability, and helps our community continue to grow,” said Luke Brady, President of Community Savings Bank. “This community garden represents growth in every sense of the word, and we’re grateful to play a small part in helping it flourish.”
